ILLUMINATE IDC AWARDS SHOW

Join us in raising vital funds to support the physical and mental well-being of local adults with intellectual and developmental disabilities at our enchanting **IDC Awards Show on Saturday, July 25th, 2026**, presented by IDC, a non-profit community organization.

As an Awards Show sponsor, your not just funding an event — your helping fund non profit organizations that help individuals with Intellectual and Developmental Disabilities (I/DD) have the opportunity to thrive in their community.

Make an impact in the community where your employees and customers live and work! Find the sponsorship level that is best for your business, grab your tickets, and join us in celebrating our community while making a difference in the lives of local adults with intellectual and developmental disabilities.

At its core, IDC is a resource platform that supports the Intellectual Disabled Community through life skills development, vocational training, employment pathways, housing resources, and essential social services. Each year, IDC will host an annual awards show that brings everything together—highlighting IDC programs, celebrating participants, and showcasing the impact of these services within the community.

This years charity of choice recipient is the Trinity Development Center.
